

Aesa Prep Academy  
2016 / 2017 School Supply List

- 1) one 1 ½" binder (any SOLID color with plastic inserts on the outside of the binder) –This binder will be your BOSS for the year. It will be the method of organizing all the work from each class. If you still have your binder from last year and it is in GOOD SHAPE, you may use that one. Otherwise please purchase another one. You need to have it for the first day of school.
- 2) 1 package of dividers for your binder (8 tabs). This is only if you do not have last year's BOSS.
- 3) 1 zipper pencil bag that has holes to place in your binder. This was not required last year with the BOSS. This year IT IS REQUIRED. It will be a way for you to keep up with pencils, erasers, highlighters, etc. It can be any color.
- 4) 1 box of colored pencils (12 count)
- 5) 2 yellow highlighters
- 6) 3 packs of pencils (at least 8 in a pack –any type)
- 7) 2 large pink erasers
- 8) 1 package of small erasers (the kind you put on your pencil to replace the old one-this would be for regular pencils, not mechanical)
- 9) Lead (a large supply if you are using mechanical pencils)
- 10) 2 handheld pencil sharpeners
- 11) 2 spiral notebooks – any SOLID color (1 subject, wide ruled)
- 12) 2 Elmers glue sticks
- 13) 1 box Kleenex
- 14) 1 graphing calculator (It needs to have table and statistical-display capabilities) Good models are the T-83 & T-84 (the T-84 Plus is especially recommended) from Texas Instruments. These can be expensive (a little over a \$100 on Amazon for the T-84 Plus). Remember – this investment is well worth it because it will be used through high school and college. Used or refurbished ones can also be readily found for sale online (Amazon, Craigslist, Ebay). They can even be rented from <http://www.mycalcrental.com/>.
- 15) a laptop computer (no tablets please) – will need Microsoft office suite on PC or the software that comes standard with the Mac (numbers, pages, etc.). The students will be using Excel, PowerPoint and Acrobat in addition to word processing. If you already have a computer, that's great! Just make sure it is equipped with the necessary software. If your child needs one then please purchase one. Information will be sent out to you soon regarding significant discounts including customer support and warranties on all types of Macs. These discounts and services come from DoubleDex and have been arranged through the efforts of Rachel Dory (thank you Rachel!!). If you would like to further consult with Rachel about options, please feel free to email her at [rdory@aesaprepacademy.com](mailto:rdory@aesaprepacademy.com).
