

Middle School Supply List
AESA Prep Academy
2018-2019

This is a general list of supplies. Some classes may require some additional supplies. Once classes are started, individual teachers will let students know if they need any additional materials. If you have questions, please contact Head of the Middle School, Diego Leal, at dleal@aesaprepacademy.com.

- 1) Two 1 ½" binders (any SOLID color with plastic inserts on the outside of the binder) – one will be your BOSS in the Fall and the other binder will be your BOSS in the Spring. It will be the method of organizing all the work from each class. Please have your BOSS organized and ready to go the first day of school.
- 2) 2 packages of dividers for your binders (8 tabs) – one for Fall and one for Spring.
- 3) 1 zipper pencil bag that has holes to place in your binder. THIS IS REQUIRED. It will be a way for you to keep up with pencils, erasers, highlighters, etc. It can be any color.
- 4) 1 box of colored pencils (12 count)
- 5) 2 yellow highlighters
- 6) 6 packs of pencils (at least 8 in a pack –any type)
- 7) 2 large pink erasers
- 8) 1 package of small erasers (the kind you put on your pencil to replace the old one- this would be for regular pencils, not mechanical)
- 9) Lead (a large supply if you are using mechanical pencils)
- 10) 2 handheld pencil sharpeners
- 11) 4 spiral notebooks (6 spirals for 6th grade)– any SOLID color (1 subject, wide ruled)
- 12) 8 Elmer's glue sticks
- 13) 6 boxes of Kleenex
- 14) 1 graphing calculator (It needs to have table and statistical-display capabilities) Good models are the T-83 & T-84 (the T-84 Plus is especially recommended) from Texas Instruments. These can be expensive (a little over a \$100 on Amazon for the T-84 Plus). Remember – this investment is well worth it because it will be used through high school and college. Used or refurbished ones can also be readily found for sale online (Amazon, Craigslist, Ebay). They can even be rented from <http://www.mycalcrental.com/>.
- 15) a laptop computer is recommended, however at the Middle School level AESA does allow tablets. (no tablets please) – will need Microsoft office suite on PC or the software that comes standard with the Mac (numbers, pages, etc.). The students will be using Excel, PowerPoint and Acrobat in addition to word processing. If you already have a computer, that's great! Just make sure it is equipped with the necessary software.
- 16) 1 package of expo markers (at least 4 in a pack)
- 17) 1 12" ruler with holes that can be placed in the BOSS
- 18) 4 packs of white index cards (100 in a pack)
- 19) 1 composition book
