What do you like best about yourself?

How would your friends describe you?

What is your favorite thing to learn while at school?

What activity would you hope to be able to do at AESA that maybe you do not have the opportunity to do at your current school?

Please list the academic and non-academic activities you have participated in at your current school, outside of school and during the summer with your family and or other groups. Some students have more opportunities available to them in their school or community than others, so don't worry if you have not had many experiences, just put down what you have participated in and which ones you really liked. We are just trying to get to know your child and your family better.

You may also submit art work that represents these areas as well but it is not required. :) Have fun and enjoy!!!!*

*Thank you for your thoughtful work on this application. Please send in your application to initiate your admissions process. You have now completed the first stage of this process. Scanned and emailed to bgarza@aesapreacademy.com is the preferred method of submission, but you may fax or mail it as well.

Dear Parents,

For the last stage of the admissions process, the student applicant will need to shadow a day at AESA for grades 4th and 5th, unless it is summer when you apply. Shadowing is an important stage of the process. Also a meeting with the parents or one of the parents and Mrs. Garza, the Head of School needs to be arranged if it did not occur initially. The student candidate is welcome to attend the parent meeting as well and at some point will need to meet with Mrs. Garza.

For grades 1st-3rd, parents you will be contacted to arrange a meeting with Barbara Garza, Head of School and bring your child to the meeting. This meeting will be a relaxed “meet and greet” and will give you and your child the opportunity to tour the school and meet Mrs. Garza and the Elementary School Advisor Mrs. June Patty.
