

**Middle & High School Supply List
AESA Prep Academy
2019-2020**

(ES Supply List will be emailed directly by Head of Elementary School June Patty)

*This is a general list of required supplies for MS & HS students. Some classes may require additional supplies. Once school has started, the individual classroom teachers will let students know if they need any additional materials for their class. **PLEASE NOTE: For Elementary Students, Head of Elementary School, Mrs. June Patty, will email the ES Supply List directly to you.***

If you have any HS questions, please contact Head of High School, Jose Garcia at jgarcia@aesaprepacademy.com.

If you have any MS questions, please contact Head of Middle School, Diego Leal at jgarcia@aesaprepacademy.com.

If you have any ES questions, please contact Head of Elementary School, June Patty at jpatty@aesaprepacademy.com.

AESA BOSS Notebook

The AESA BOSS Notebook is where students keep all of their hard copy academic materials; such as returned papers, essays, assignments, tests, hard copy notes and handouts for each of their classes. Students have a Fall BOSS Notebook and a Spring BOSS Notebook. BOSS is an acronym for Book of Student's Studies. They should bring their BOSS Notebook to school every day. Students should use the material kept in their BOSS to study for up coming exams and the semester final exams. When the Fall Semester is over, they should then use their second notebook for their Spring BOSS Notebook and keep both at the end of the year as samples of their academic work until they are no longer applicable. IF BOSS gets too full, students may split work up or take some out to keep at home but they must know where it is and be organized with it. The supplies that are listed below, will be designated if some should be kept in their BOSS notebook and zipper supply bag.

The student's name must be clearly visible with their first and last name written on the outside of the front cover of the notebook. All large supplies such as laptops must have student's name somewhere on the item. If names are not on the item it can make it more difficult to find and recover.

- 1) Two 2" binders (white with plastic inserts on the outside of the binder) – one will be your BOSS in the Fall and the other binder will be your BOSS in the Spring. It will be the method of organizing all the work from each class. Please have your BOSS organized and ready to go the first day of school. Student name should be clearly labeled on the outside.
- 2) 2 packages of dividers for your binders (8 tabs) – one for Fall and one for Spring. BOSS
- 3) 1 zipper pencil bag that has holes to place in your binder. IMPORTANT: The zipper bag is a way for you to keep up with your pencils, erasers, highlighters, etc....organized. It can be any color. BOSS
- 4) 2 boxes of colored pencils (12 count for each semester) BOSS

- 5) 2 yellow highlighters, 2 orange highlighters, 2 blue highlighters BOSS
- 6) 6 packs of pencils (at least 8 in a pack –any type but have some # 2 pencils) BOSS
- 7) 2 large pink erasers BOSS
- 8) 1 package of small erasers (the kind you put on your pencil to replace the old one-this would be for regular pencils, not mechanical) BOSS
- 9) Lead (a large supply if you are using mechanical pencils) BOSS
- 10) 2 handheld pencil sharpeners BOSS
- 11) 6 spiral notebooks any SOLID color (1 subject, wide ruled) BOSS
- 12) 8 Elmer's glue sticks BOSS
- 13) 1 graphing calculator (It needs to have table and statistical display capabilities) Good models are the T-83 & T-84 (the T-84 Plus is especially recommended) from Texas Instruments. These can be expensive (a little over a \$100 on Amazon for the T-84 Plus). Remember – this investment is well worth it because it will be used through high school and college. Used or refurbished ones can also be readily found for sale online (Amazon, Craigslist, Ebay). They can even be rented from <http://www.mycalcrental.com/>. BACKPACK
- 14) a laptop computer (no tablets please) – will need Microsoft office suite on PC or the software that comes standard with the Mac (numbers, pages, etc.). The students will be using Excel, PowerPoint and Acrobat in addition to word processing. If you already have a computer, that's great! Just make sure it is equipped with the necessary software. Also, please bring power cord. BACKPACK EVERYDAY
- 15) 4 large packages of expo markers TURN IN TO FRONT DESK AT START OF SCHOOL
- 16) 1 12" ruler with holes that can be placed in BOSS
- 17) 4 packs of white index cards (100 in a pack) (bring as needed)
- 18) 5 composition books (bring as needed)
- 19) 1 water bottle with first & last name clearly marked on it. BACKPACK
- 20) 1 backpack clearly labeled with first and last name.
- 21) 4 packages lined notebook paper (bring as needed)
- 22) 4 packages of colored construction paper & 2 pack. of black construction paper (bring as needed)
- 23) 4 packages of graph paper for certain classes... the teacher will let you know. (bring as needed)
- 24) 1 pair of school scissors BOSS if applicable (bring as needed)
- 25) 1 package of metal rings to keep notecards together with
- 26) 1 stapler for home usage

Please note: please label any materials such as regular clothing, racket bags, backpacks, laptops, lunch bags, hats, etc., with the student's first and last name...clearly visible and legible.

We always have many, many items in the "Lost and Found". Next school year the lost and found will be kept in a grass woven trunk under the table in the main room by the teacher's coffee pot. Items will be kept for 3 weeks, and then if not claimed will be given to Good Will if we can not find a name on it. If it is a larger item we will continue to look for it's owner.

We know your children's items are precious to them and you, so if they are missing something, please contact your respective Head of School, so we can help track down the item.

Thank you!!!
