

School Supply List 2020-21

This is a general list of required supplies for MS & HS students. Some classes may require additional supplies. Once school has started, the individual classroom teachers will let students know if they need any additional materials for their class. **PLEASE NOTE: For Elementary Students, Head of Elementary School, Sarah Harbour, will email the ES Supply List directly to you.**

If you have any HS questions, please contact Head of High School, Jose Garcia at jgarcia@aesaprepacademy.com.

If you have any MS questions, please contact Head of Middle School, Diego Leal at dleal@aesaprepacademy.com.

If you have any ES questions, please contact Head of Elementary School, Sarah Harbour at sharbour@aesaprepacademy.com.

Supplies:

- Backpack (antimicrobial preferred) (Sanitize Daily)
- All pens, pencils, paper, notebooks, composition books, glue sticks, rulers, etc... should be for **personal use only.**
- Personal Reusable Water Bottles (Sanitize Daily)

Tech:

Hardware

- Laptop computer (or Tablet)– will need Microsoft office suite on PC or the software that comes standard with the Mac (numbers, pages, etc.). The students will be using Excel, PowerPoint and Acrobat in addition to word processing. If you already have a computer, that's great! Just make sure it is equipped with the necessary software. Also, **please bring power cord.**
- Webcam w/ microphone
- Digital pen and paper (Wacom tablet and pen, Apple Pen for Macs, or another comparable device)
- Graphing calculator (It needs to have table and statistical display capabilities) Good models are the T-83 & T-84 (the T-84 Plus is especially recommended) from Texas Instruments. These can be expensive (a little over a \$100 on Amazon for the T-84 Plus). Remember – this investment is well worth it because it will be used through high school and college. Used or refurbished ones

can also be readily found for sale online (Amazon, Craigslist, Ebay). They can even be rented from <http://www.mycalcrental.com/>

Software

- Microsoft Teams
- OneNote
- Microsoft Suite
- Google Suite

Personal Use:

P.P.E.

- Face Mask
- Gloves
- Face Shield (optional)
- Personal Divider (optional)
- Hand Sanitizer
