Dear Parent,

For Kinder through 2nd grade, this section is optional and only recommended if it is something your child would like to do. It will not be seen as a negative if you do not complete this section 😊

For grades 3rd- 5th, please have the students write their own answers and please help them as needed. Please help us get to know your child better by answering the following questions. *This section may be handwritten or typed. Please confine answers to fit the space provided.*

What do you like best about yourself?

How would your friends describe you?

What is your favorite thing to learn while at school?

What activity would you hope to be able to do at AESA that maybe you do not have the opportunity to do at your current school?

Part IV: Applicant's Activities:

Dear Parents,

For 1st and 2nd grades this section is totally optional and only recommended if it is something the child is enjoying. It will not be a negative if you do not do this section 😊

For grades 3rd- 5th, please have the students write their own answers and please help them as needed. Please help us get to know your child better by answering the following questions. *This section may be handwritten or typed. Please confine answers to fit the space provided.*

Please list the academic and non-academic activities you have participated in at your current school, outside of school and during the summer with your family and or other groups. Some students have more opportunities available to them in their school or community than others, so don't worry if you have not had many experiences, just put down what you have participated in and which ones you really liked. We are just trying to get to know your child and your family better.

If you have already met with Mrs. Garza or Mrs. Harbour and your child has shadowed, this next section does not apply to you.

For the last stage of the admissions process, the student applicant will need to shadow a day at AESA, unless it is summer when you apply. Shadowing is an important stage of the process. For grades Kinder - 3rd, parents you will be contacted to arrange a meeting with Barbara Garza, Head of School or Sarah Harbour the Elementary Head of School. This meeting will be a relaxed “meet and greet” and will give you and your child the opportunity to tour the school and meet Mrs. Garza or the Ms. Sarah Harbour.
