Please help us get to know you by answering the following questions about yourself.

This section must be completed in your own words: handwritten or typed. Please confine your answer to fit the space provided.

What do you like best about yourself?

What are you most concerned about?

How would your friends describe you?

Please tell us why you are interested in attending AESA.

Part IV: Applicant's Activities:

Please list the academic and non-academic activities you have participated in at your current school, outside of school and during the summer. Some people have more opportunities available to them in their school or community than others, so don't worry if you have not had many experiences, just let us know what you have participated in.

Part VI: Applicant's Personal Statement for grades 6th-12th:

In the space below, write a letter to AESA describing your personal goals, passions and developing interests. What would you like for us to know about your character, your strengths and weaknesses and your life experiences? *Please write this in your own handwriting using the space provided on this page and the next page, without input from anyone else. Have fun and enjoy!*

*Thank you for your thoughtful work on this application. Please send in your application to initiate your admissions process. You have now completed the first stage of this process.

Second Stage of the Admissions Process:

For the second stage of the admissions process, the student applicant will need to shadow a day at AESA. Shadowing is an important stage of the process. A meeting with the parents or one of the parents and Mrs. Garza, the Head of School needs to be arranged if it did not occur initially. The student candidate is welcome to attend the parent meeting as well.

Last Stage of the Admissions Process:

For the last stage of the admissions process, please send us a letter of character reference, a letter from a former or current English teacher regarding the student’s language arts abilities, and a letter from a former or current Mathematics teacher regarding the student’s mathematical ability. Please include a copy of the candidate’s grades for this year and the previous year. If an applicant is accepted to AESA Prep Academy, an official transcript and medical record will be obtained by AESA with the transfer occurring between AESA Prep Academy and the student’s current school. AESA will contact the applicant’s current school upon receiving parental permission and then AESA Prep Academy would become the student’s school of record.

If the student applicant applies in the summer, they are not required to shadow.
